

Welcome to Nativity Catholic Church! Thank you for visiting with us through our website. I do hope that you take time to learn more about our parish as you review the many links of website.

One very clear snapshot of our community can be seen through the words of our Parish Mission Statement:

We, the people of Nativity Catholic Church, are called to live and to proclaim our faith in the presence of Jesus Christ. As a community of faithful stewards, we strive to live our faith through worship and prayer, life-long faith formation and by compassionate service to those in need both in our parish and larger community.

As you check out our website, please go to the link for Nativity Catholic School. We are extremely proud of our academic A+ rating for our school through which we offer a quality Catholic education for our children and families.

Once again, thank you for visiting our website. Please know that you are also most welcome to be with us in person. You will be warmly welcomed by the parishioners of Nativity. If you have any questions about our parish community, you can contact me at frpat@nativityindy.org.

With the peace of Christ,
Fr. Pat Doyle
